Application Deadline:

16 March, 2025

STCS VIGYAN VIDUSHI 2025

A summer School in Computer Science for women students

- Two-week summer school
- Courses on contemporary topics in theoretical computer science
- Lectures by eminent women scientists
- Interactive mentoring sessions

The School of Technology and Computer Science (STCS) at the Tata Institute of Fundamental Research (TIFR), Mumbai is organising a summer school for women students with UG or PG background in CS, EE and associated areas. The programme also aims to promote research in computer science as a career option among women students.

The two-week programme will consist of technical courses taught by faculty members from STCS, TIFR, and other research institutes in India. The school will also include problem-solving sessions and mentoring sessions, and a distinguished lecture series by eminent women scientists.

Applications open!

Deadline: 16 March, 2025
